Coding Club CITK

❖ Coding Club CITK is the Coding Club of Central Institute of Technology Kokrajhar. It is the newly formed club of the Institute which Inauguration and Orientation program has held on 7th April 2022 at Brajendra Kr. Brahma Seminar Hall, CIT Kokrajhar.

❖ Department of CSE and specially Dean AER Dr. Pranav Singh Sir and a group of students from B.Tech CSE second year had taken the Initiative to start the coding club in the Institute to promote the coding culture in the Institute. Coding club wants to thanks the department for the support to start the club.

❖ **Objectives of the Club**

- To bring up the coding culture in our institute
- To acquaint new comers to programming.
- To discuss programming concepts using various languages such as C/C++, Java, Python etc.
- To get started with competitive programming.
- To compete in various coding contests
- Undertake institute projects
- Organize various competitions
- Collaborate with other institutions
- Helping platform for beginner

❖ **Focused Areas**

- Programming Languages (C/C++/Java/Python)
- Competitive programming
- Scripting languages
- Data Structures & Algorithms
- Software Development

❖ This Club is for the students who is having keen Interest in coding or wants to enter into competitive programming field and also who is having Interest in Software development along with that all things the students who wants to explore various domains in the computer science should join this club (since to explore any field of computer science knowledge of the programming is very helpful).

❖ **Faculty mentors of the Club**

- Dr. Pranav Kumar Singh (Dean AER)
- Dr. Amitava Nag (HOD CSE)
- Dr. Pankaj Pratap Singh (Assistant professor Dept. of CSE)

❖ **Core members**

- Amarjeet Kumar Singh (B.Tech CSE 2nd Year Student & Convenor of the club)
- Karambir Brahma (B.tech CSE 2nd Year Student & chief co-ordinator of the club)
- Devanshu (B.tech CSE 2nd Year student & co-ordinator of the club)
- Other co-ordinators are Innocent Mochahari, Souptik Dutta, Amrit Tiwari, Poli Borah, Bittu Mishra and Himanshu pegu

The coding club of the Institute will try to create a great culture of coding in CITK and in this regard we need the help and support of all of you.
